Inquiry No. NQ-2018-004

NOTICE OF COMMENCEMENT OF INQUIRY

CORROSION-RESISTANT STEEL SHEET

Notice was received by the Canadian International Trade Tribunal on October 24, 2018, from the Director General of the Trade and Anti-dumping Programs Directorate at the Canada Border Services Agency (CBSA), stating that a preliminary determination had been made respecting the dumping of corrosion-resistant flat-rolled steel sheet products of carbon steel, including products alloyed with the following elements:

- Boron (B) not more than 0.01%,
- Niobium (Nb) not more than 0.100%,
- Titanium (Ti) not more than 0.08%, or
- Vanadium (V) not more than 0.300%,

in coils or cut lengths, in thicknesses up to 0.168 in. (4.267 mm) and widths up to 72 in. (1,828.8 mm) with all dimensions being plus or minus allowable tolerances contained in the applicable standards, chemically passivated, originating in or exported from the People's Republic of China, the Separate Customs Territory of Taiwan, Penghu, Kinmen and Matsu (Chinese Taipei), the Republic of India and the Republic of Korea, and excluding:

- unpassivated corrosion-resistant steel sheet products;
- corrosion-resistant steel sheet products for use in the manufacture of passenger automobiles, buses, trucks, ambulances or hearses or chassis therefor, or parts thereof, or accessories or parts thereof;
- steel products for use in the manufacture of aeronautic products;
- steel sheet that is coated or plated with tin, lead, nickel, copper, chromium, chromium oxides, both tin and lead ("terne plate"), or both chromium and chromium oxides ("tin-free steel");
- stainless flat-rolled steel products;
- corrosion-resistant steel sheet products that have been pre-painted or coated with organic (non-metallic) coatings, including lacquers or varnishes;
- galvanized armouring tape, which is narrow flat steel tape of 3 in. or less, that has been coated by a final operation with zinc by either the hot-dip galvanizing or the electrogalvanizing process so that all surfaces, including the edges, are coated;
- and tool steel.

Pursuant to section 42 of the *Special Import Measures Act (SIMA)*, the Tribunal has initiated an inquiry to determine whether the dumping of the above-mentioned goods has caused injury or retardation or is threatening to cause injury, and to determine such other matters as the Tribunal is required to determine under that section.

Each person or government wishing to participate in the inquiry and at the hearing as a party must file a notice of participation with the Tribunal on or before November 8, 2018. Each counsel who intends to represent a party in the inquiry and at the hearing must file a notice of representation, as well as a declaration and undertaking, with the Tribunal on or before November 8, 2018.

ADDITIONAL INFORMATION

BACKGROUND INFORMATION

On October 24, 2018, the Tribunal received notice from the Director General of the Trade and Anti-dumping Programs Directorate at the CBSA, stating that a preliminary determination had been made respecting the dumping of the above-mentioned products.

Pursuant to section 42 of *SIMA*, the Tribunal will now determine whether the dumping of the above-mentioned goods has caused injury or retardation or is threatening to cause injury, and determine such other matters as the Tribunal is required to determine under that section.

Along with the notice of commencement of inquiry, the Tribunal has sent letters to the domestic producer, importers, foreign producers and certain purchasers with a known interest in the inquiry providing details on the procedures, as well as the schedule for the inquiry. Some interested parties have been requested to complete questionnaires.

All questionnaires can be downloaded from the Tribunal's Web site at www.citt-tcce.gc.ca/questionnaires.

REQUESTS FOR PRODUCT EXCLUSIONS

The Tribunal's *Guideline to Making Requests for Product Exclusions*, which can be found on the Tribunal's Web site at www.citt-tcce.gc.ca/en/g_excl_e, describes the procedure for filing requests for specific product exclusions. This guide also includes a form for filing requests for product exclusions and a form for any party that opposes a request to respond to such requests. This does not preclude parties from making submissions in a different format if they so wish, provided all the information and supporting documentation requested in the forms are included. Please see the attached schedule for the filing deadlines for the product exclusion process.

REQUESTS FOR A PUBLIC INTEREST INQUIRY

In the event of an injury finding, a request for a public interest inquiry conducted pursuant to subsection 45(1) of *SIMA* may be made by any party to the injury inquiry or by any other group or person affected by the injury finding. Such a request must be filed with the Tribunal within 45 days of an injury finding. A public interest inquiry is completely separate from an injury inquiry. The Tribunal is not seeking and does not expect submissions on public interest issues during the injury inquiry.

PROCEDURE FOR FILING WITH THE TRIBUNAL

Parties and the public may file documents electronically with the Tribunal through its Secure E-filing Service at <https://efiling-depote-pub.citt-tcce.gc.ca/submit-eng.aspx>. The information is fully encrypted from the sender to the Tribunal.

PUBLIC HEARING

A public hearing relating to this inquiry will be held in the Tribunal's Hearing Room No. 1, 18th Floor, 333 Laurier Avenue West, Ottawa, Ontario, commencing on the 21st day of January 2019, at 9:30 a.m., to hear evidence and representations by interested parties.

OTHER INFORMATION

The Canadian International Trade Tribunal Rules govern these proceedings.

Written and oral communication with the Tribunal may be in English or in French.

In order to observe and understand production processes, the Tribunal, accompanied by its staff, may conduct plant visits.

At the end of these proceedings, the Tribunal will issue a decision supported by a summary of the case, a summary of the arguments and an analysis of the case. The decision will be posted on its Web site and distributed to the parties and interested persons, as well as to organizations and persons that have registered to receive decisions of the Tribunal.
