A.D.C. No. 56/2019/NTC/PA  
Government of Pakistan  
National Tariff Commission

Subject: **Hearing-Anti-dumping Investigation against Dumped Imports of Phthalic Anhydride into Pakistan Originating in and/or Exported from China, Chinese Taipei, Korea and Russian Federation.**

The National Tariff Commission (the "Commission") Government of the Islamic Republic of Pakistan presents its compliments to the esteemed Chinese Taipei Mission in Geneva and has the honour to invite its attention to this Commission's earlier note verbale of even number dated June 08, 2020 enclosing therewith a copy of the notice of preliminary determination in subject anti-dumping investigation.

In accordance with Rule 14 of the Anti-Dumping Duties Rules 2001 (the "Rules"), the Commission is holding a hearing in the subject investigation on the request made by the Applicant on Zoom Application with all interested parties on **February 09, 2021 at 11.00 a.m.**

In this context, you are requested to make it convenient to attend the hearing. However, please note that your inability to attend the hearing would not in any event be prejudicial to your interest in the investigation (Rule 14(2) of the Rules).

In terms of the Rule 14(4) of the Rules, it is requested to notify the particulars along with email addresses of the representative who shall appear at the hearing **at least seven days before the date of hearing.**

It may further be noted that under Rule 14(7) of the Rules, you have the right, on justification, to present information orally during the hearing. However, such information shall only be taken into consideration by the Commission if such information is confirmed in writing. Such information shall be made available to the other interested parties as it would be placed in the public file being maintained under Rule 7 of the Rules.

The National Tariff Commission, Government of Islamic Republic of Pakistan avails itself of this opportunity to renew to the esteemed Chinese Taipei Mission in Geneva the assurances of its highest consideration.
