Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Background

Every five years, pursuant to the Tariff Act of 1930, as amended (the Act), the Department of Commerce (Commerce) and the International Trade Commission automatically initiate and conduct

reviews to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for June 2021

Pursuant to section 751(c) of the Act, the following Sunset Reviews are scheduled for initiation in June 2021 and will appear in that month's Notice of Initiation of Five-Year Sunset Reviews (Sunset Review).

Table with 2 columns: Product Name and Department contact. Rows include Antidumping Duty Proceedings and Countervailing Duty Proceedings for various countries like Brazil, China, India, etc.

Suspended Investigations

No Sunset Review of suspended investigations is scheduled for initiation in June 2021.

Commerce's procedures for the conduct of a Sunset Review are set forth in 19 CFR 351.218. The Notice of Initiation of Five-Year (Sunset) Review provides further information regarding what is required of all parties to participate in a Sunset Review.

Pursuant to 19 CFR 351.103(c), Commerce will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact Commerce in writing within 10 days of the publication of the Notice of Initiation.

Please note that if Commerce receives a Notice of Intent to Participate from a

member of the domestic industry within 15 days of the date of initiation, the review will continue.

Thereafter, any interested party wishing to participate in the Sunset Review must provide substantive comments in response to the notice of initiation no later than 30 days after the date of initiation. Note that Commerce has modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

This notice is not required by statute but is published as a service to the international trading community.
