Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2020-2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET Film) from Taiwan. The period of review (POR) is July 1, 2020, through June 30, 2021. This review covers the following producers and exporters from Taiwan: Nan Ya Plastics Corporation (Nan Ya); and Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC). Commerce preliminarily determines that sales of subject merchandise have not been made below normal value (NV) by Nan Ya during the POR. In addition, we preliminarily find that SMTC/SSFC had no shipments during the POR.

Interested parties are invited to comment on these preliminary results.

DATES: Applicable June 28, 2022.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2021, Commerce published in the *Federal Register* a notice of opportunity¹ to request an administrative review of the AD order on PET film from Taiwan.² On September 7, 2021, in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice of initiation of an administrative review of the *Order*.³

On March 3, 2022, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by 80 days until June 21, 2022.⁴ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵

A list of the topics included in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

number is provided for convenience and for customs purposes, the written product description, available in the PDM, remains dispositive.

Preliminary Determination of No Shipments

Based on U.S. Customs and Border Protection's (CBP) response to Commerce's no shipment inquiry as well the certifications and supporting documentation provided by SMTC/SSFC⁶ in its no shipment certification, we preliminarily determine that SMTC/SSFC had no shipments of the subject merchandise during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to SMTC/SSFC, but rather will complete the review and issue appropriate liquidation instructions to CBP based on the final results.⁷ For additional information regarding this determination, see the Preliminary Decision Memorandum.⁸

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, Commerce preliminarily determines that the following weighted-average dumping margin exists for the period July 1, 2020, through June 30, 2021:

⁶ In the 2011-2012 administrative review, we treated SMTC and SSFC as a single entity for purposes of this order. See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review; 2011-2012*, 78 FR 48651 (August 9, 2013), and accompanying Preliminary Decision Memorandum, unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Final Results of Antidumping Duty Administrative Review; 2011-2012*, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.

⁷ See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2018-2019*, 85 FR 74673 (November 23, 2020), unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip (PET Film) from Taiwan: Final Results of Antidumping Duty Administrative Review; 2018-2019*, 86 FR 14311 (March 15, 2021).

Disclosure and Public Comment

Commerce intends to disclose its calculations and analysis performed to interested parties to these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.⁹ Parties who submit case or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the publication date of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a hearing is requested, Commerce will notify interested parties of the hearing date and time. Parties should confirm by telephone the date and time of the hearing two days before the scheduled hearing date.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries. If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent)

in the final results of this review, we will calculate importer-specific *ad valorem* assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of PET film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company under review will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other producers or exporters is 2.40 percent.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this

review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h)(1).

Dated: June 21, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.
