Dear Harry Ho-jen Tseng:

The Canada Border Services Agency (CBSA) has today initiated a re-investigation of the normal values and export prices of certain carbon steel welded pipe (CSWP) originating in or exported from Chinese Taipei (excluding goods exported from Chinese Taipei by Chung Hung Steel Corporation and Shin Yang Steel Co. Ltd), the Republic of India, the Sultanate of Oman, the Republic of Korea, Thailand and the United Arab Emirates (excluding goods exported from the United Arab Emirates by Conares Metal Supply Ltd.), and the amounts of subsidy of certain CSWP originating in or exported from India.

The re-investigation is part of the ongoing enforcement of the Canadian International Trade Tribunal's (CITT) findings of material injury issued on December 11, 2012. The findings were subsequently reviewed and continued by order dated October 15, 2018.

The information collected during the course of this re-investigation will be used to update the normal values, export prices and amounts of subsidy for future shipments in accordance with the *Special Import Measures Act* (SIMA).

You may visit the CBSA's website to view the notice of initiation and the schedule at: [www.cbsa-asfc.gc.ca/sima-lmsi/ri-re/menu-eng.html](http://www.cbsa-asfc.gc.ca/sima-lmsi/ri-re/menu-eng.html). This website will also be updated when new information becomes available.

As part of the re-investigation, the CBSA is requesting information from the exporters of the subject goods in your country concerning normal values and export prices. Copy of the questionnaire for exporters is included in the enclosed as *Dumping Request for Information*.

.../2

It should be noted that the CBSA requires a complete response from the exporters of the goods. In the event that the information provided to the CBSA by parties to the re-investigation is insufficient, the normal value, export price and amount of subsidy will be determined in such a manner as the Minister specifies. Should you have any questions pertaining to this re-investigation, please contact Walid Ben Tamarzizt, Manager, Anti-dumping and Countervailing Investigations Division, at 613-862-0479 or by email at [Walid.BenTamarzizt@cbsa-asfc.gc.ca](mailto:Walid.BenTamarzizt@cbsa-asfc.gc.ca).

Yours truly,
