Initiation of CCR

Pursuant to section 751(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216(d), Commerce conducts a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD or CVD order which shows changed circumstances sufficient to warrant a review of the order. The information Global Stone provided regarding Bada Industries' exports of quartz surface products demonstrates changed circumstances sufficient to warrant such a review.⁷ Therefore, we are initiating a CCR pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(d) based upon the information contained in Global Stone's submission to determine whether Bada Industries is eligible to certify that its quartz surface products are not produced from Chinese-origin quartz slab.

Commerce will issue a questionnaire requesting additional information from Global Stone for this CCR regarding its quartz slab and will publish in the Federal Register a notice of the preliminary results, in accordance with 19 CFR 351.221(b)(4) and (c)(3)(i). All information submitted may be subject to verification. Failure to allow full and complete verification of any information submitted may affect Commerce's consideration of that information. Commerce will set forth its preliminary factual and legal conclusions in this notice and a description of any action proposed based on those results. Pursuant to 19 CFR 351.221(b)(4)(ii), interested parties will have an opportunity to comment on the preliminary results. Unless extended, Commerce will issue the final results of this CCR in accordance with the time limits set forth in 19 CFR 351.216(e).

Notification to Interested Parties

We are issuing this notice in accordance with sections 751(b)(1) and 777(i) of the Act and 19 CFR 351.216(b), and 351.221(b)(1).

Dated: June 20, 2023.

Polyethylene Terephthalate Film, Sheet, and Strip From Taiwan: **Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No** Shipments; 2021-2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty (AD) order on polyethylene terephthalate film, sheet, and strip (PET Film) from Taiwan. The period of review (POR) is July 1, 2021, through June 30, 2022. This review covers the following producers and exporters from Taiwan: Nan Ya Plastics Corporation (Nan Ya); and Shinkong Materials Technology Corporation (SMTC)/Shinkong Synthetic Fibers Corporation (SSFC). Commerce preliminarily determines that sales of subject merchandise have not been made below normal value (NV) by Nan Ya during the POR. In addition, we preliminarily find that SMTC/SSFC had no shipments during the POR. Interested parties are invited to comment on these preliminary results. DATES: Applicable June 26, 2023.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2022, Commerce published in the Federal Register a notice of opportunity ¹ to request an administrative review of the AD order on PET film from Taiwan.² On September 6, 2022, in accordance with 19 CFR 351.221(c)(1)(i), Commerce

published a notice of initiation of an administrative review of the Order.³

On March 28, 2023, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by 80 days until June 21, 2023.⁴ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵

A list of the topics included in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and **Countervailing Duty Centralized** Electronic Service System (ACCESS). ACCESS is available to registered users at https://access.trade.gov. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at https://access.trade.gov/ public/FRNoticesListLayout.aspx.

Scope of the Order

The merchandise subject to the Order is PET film.⁶ The product is currently classifiable under subheading 3920.62.00.90 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS number is provided for convenience and for customs purposes, the written product description, available in the Preliminary Decision Memorandum, remains dispositive.

Preliminary Determination of No Shipments

Based on U.S. Customs and Border Protection's (CBP) response to Commerce's no-shipment inquiry, as well as the no-shipment certification provided by SMTC/SSFC,7 we

⁵ See Memorandum, "Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments: Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan; 2021-2022" dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁶ See Preliminary Decision Memorandum at 3. ⁷ In the 2011–2012 administrative review, we treated SMTC and SSFC as a single entity for

purposes of this order. See Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan; Preliminary Results of Antidumping Duty Administrative Review; 2011-2012, 78 FR 48651 (August 9, 2013), and accompanying Preliminary Decision Memorandum, unchanged in Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan:

preliminarily determine that SMTC/ SSFC had no shipments and, therefore, no reviewable entries of subject merchandise during the POR. Consistent with Commerce's practice, we will not rescind the review with respect to SMTC/SSFC, but, rather, will complete the review and issue appropriate liquidation instructions to CBP based on the final results.⁸ For additional information regarding this determination, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Act. Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, Commerce preliminarily determines that the following weighted-average dumping margin exists for the period July 1, 2021, through June 30, 2022:

Producer/exporter	Weighted- average dumping margin (percent)
Nan Ya Plastics Corporation	0.00

Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.⁹ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date

for filing case briefs.¹⁰ Interested parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹¹ Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b). If a respondent's weightedaverage dumping margin is not zero or de minimis (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific ad valorem assessment rates on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). Where either the

¹² See Temporary Rule Modifying AD/CVD Service Requirements Due to COVID–19; Extension of Effective Period, 85 FR 41363 (July 10, 2020). respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by an individually examined respondent for which it did not know its merchandise was destined for the United States, we intend to instruct CBP to liquidate such entries at the all-others rate (*i.e.*, 2.40 percent) if there is no rate for the intermediate company(ies) involved in the transaction.¹³

If we continue to find in the final results that SMTC/SSFC had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their antidumping duty case numbers (*i.e.*, at that exporter's rate) at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of PET film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Nan Ya will be the rate established in the final results of this review (except, if the rate is zero or de minimis, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-thanfair value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of

Final Results of Antidumping Duty Administrative Review; 2011–2012, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.

the merchandise; and (4) the cash deposit rate for all other producers or exporters is 2.40 percent.¹⁴ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

The Petitions

On May 31, 2023, the U.S. Department of Commerce (Commerce) received countervailing duty (CVD) petitions concerning imports of certain paper shopping bags (paper bags) from China and India filed in proper form on behalf of the Coalition for Fair Trade in Shopping Bags (the petitioner).¹ The CVD petitions were accompanied by antidumping duty (AD) petitions concerning imports of paper bags from Cambodia, China, Colombia, India, Malaysia, Portugal, Taiwan, the Republic of Turkey, and the Socialist Republic of Vietnam.²

Ōn June 2, 5, 6, and 13, 2023, Commerce requested supplemental information pertaining to certain aspects of the Petitions.³ On June 8, 9, and 15, 2023, the petitioner filed timely responses to these requests for additional information.⁴

In accordance with section 702(b)(1)of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that the Government of China (GOC) and the Government of India (GOI) are providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of paper bags in China and India, and that such imports are materially injuring, or threatening material injury to, the domestic industry producing in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating CVD investigations, the Petitions are supported by information reasonably available to the petitioner.

Commerce finds that the petitioner filed the Petitions on behalf of the domestic industry because the petitioner is an interested party as defined in section 771(9)(F) of the Act.⁵ Commerce also finds that the petitioner demonstrated sufficient industry support with respect to the initiation of the requested CVD investigations.⁶

Periods of Investigation

Because the Petitions were filed on May 31, 2023, the periods of investigation (POI) for China and India are January 1, 2022, through December 31, 2022.⁷

Scope of the Investigations

The product covered by these investigations is paper bags from China and India. For a full description of the scope of these investigations, *see* the appendix to this notice.

Comments on Scope of the Investigations

On June 2 and 13, 2023, Commerce requested information from the petitioner regarding the proposed scope to ensure that the scope language in the Petitions is an accurate reflection of the products for which the domestic industry is seeking relief.⁸ On June 8 and 15, 2023, the petitioner provided
