

for future deposits of estimated duties, where applicable.⁹

Normally, Commerce would issue appropriate assessment instructions to CBP 35 days after the date of publication of the amended final results of this review in the **Federal Register**, to liquidate shipments of subject merchandise produced and exported by Yieh Phui entered, or withdrawn from warehouse, for consumption during the July 1, 2020 through June 30, 2021 period of review. However, on February 15, 2023, the U.S. Court of International Trade (the Court) enjoined liquidation of entries produced and exported by Yieh Phui, that are subject to the *Final Results*.¹⁰ Accordingly, Commerce will not instruct CBP to assess antidumping duties on those enjoined entries pending resolution of the associated liquidation.

For Prosperity and Sheng Yu, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the amended final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective retroactively for all shipments of subject merchandise that entered, or were withdrawn from warehouse, for consumption on or after February 3, 2023, the date of publication of the *Final Results* of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in these amended final results of review; (2) for producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or another completed segment of this proceeding, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) if neither the

exporter nor the producer is a firm covered in this or any previously completed segment of this proceeding, then the cash deposit rate will be the all-others rate of 3.66 percent established in the less-than-fair-value investigation.¹¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

The amended final results and notice are issued and published in accordance with sections 751(h) and 777(i) of the Act and 19 CFR 351.224(e).
