Re: Antidumping Duty Administrative Review of Stilbenic Optical Brightening Agents from
Taiwan: Notification of Verification

Dear Mr. Tsai:

The U.S. Department of Commerce (Commerce) is currently scheduled to issue the preliminary determination in the above-referenced administrative review on August 6, 2025. In accordance with section 782(i) of the Tariff Act of 1930, as amended, Commerce is required to verify information that will be relied upon in this review. The Statement of Administrative Action that accompanied the Uruguay Round Agreements Act states that Commerce “will verify information in a foreign country only after notifying the foreign government concerned of the details of verification.” Accordingly, we hereby notify you of the details of verification.

The respondent, through its representatives, and Commerce have agreed on the following verification itinerary. Two officials from Commerce will participate in the following verification:

- Teh Fong Min International Co., Ltd – May 27, 2025 – May 29, 2025
