Suspension of Liquidation

Pursuant to 19 CFR 351.226(l)(1), Commerce will notify CBP of the initiation and direct CBP to continue the suspension of liquidation of entries of products subject to the circumvention inquiry that were already subject to the suspension of liquidation under the *Orders* and to apply the cash deposit rates that would be applicable if the products were determined to be covered by the scope of the *Orders*.

Should Commerce issue affirmative preliminary or final circumvention determinations, Commerce will follow the suspension of liquidation rules under 19 CFR 351.226(l)(2)–(4). In the event that Commerce issues affirmative preliminary or final circumvention determinations that the products are circumventing the *Orders*, Commerce will instruct CBP to continue the suspension of liquidation of previously suspended entries and to apply the applicable cash deposit rate. Commerce will also instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, on or after the date of publication of the notice of initiation of the circumvention inquiry pursuant to paragraphs (l)(2)(ii) and (l)(3)(ii). In addition, pursuant to paragraphs (l)(2)(iii)(A) and (l)(3)(iii)(A), Commerce may instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, prior to the date of initiation of the circumvention inquiry, but not for such entries prior to November 4, 2021, the effective date of these provisions in the *Final Rule*.¹⁰ These rules will not affect CBP's authority to take any additional action with respect to the suspension of liquidation or related measures for these entries, as stated in 19 CFR 351.226(l)(5).

Notification to Interested Parties

In accordance with 19 CFR 351.226(d) and section 781(b) of the Act, Commerce determines that the requesters' request for this circumvention inquiry satisfies

the requirements of 19 CFR 351.226(c). Accordingly, Commerce is notifying all interested parties of the initiation of this circumvention inquiry to determine whether imports of aluminum containers completed in and exported from the UAE using aluminum foil manufactured in China are circumventing the *Orders*. In addition, we have included a description of the products that are subject to this inquiry, and an explanation of Commerce's decision to initiate the inquiry as provided in the accompanying Circumvention Initiation Checklist.¹¹

In accordance with 19 CFR 351.226(e)(1), unless the circumvention inquiry is rescinded, in whole or in part, or extended, Commerce intends to issue its preliminary circumvention determination no later than 150 days from the date of publication of the notice of initiation of this circumvention inquiry in the **Federal Register**. Furthermore, in accordance with section 781(f) of the Act and 19 CFR 351.226(e)(2), unless the circumvention inquiry is rescinded, in whole or in part, or extended, Commerce intends to issue its final determination within 300 days from the date of publication of the notice of initiation of the circumvention inquiry in the **Federal Register**.

On August 15, 2025, Commerce received timely and complete notices of intent to participate in the sunset reviews from the domestic interested party³ within the deadline specified in the 19 CFR 351.218(d)(1)(i).⁴ The domestic interested party claimed the interested party status within the meaning of section 771(9)(E)⁵ of the Act as a coalition of U.S. producers of the domestic like product, the majority of whom produce the domestic like product.⁶ On August 22, 2025, Commerce notified the U.S. International Trade Commission (ITC) that it had received a notice of intent to

On September 2, 2025, pursuant to 19 CFR 351.218(d)(3)(i), the domestic interested party filed a timely and adequate substantive response.⁸ Commerce did not receive a substantive response from any respondent interested party. On September 23, 2025, Commerce notified the ITC that it did not receive substantive response from any respondent interested parties.⁹ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Orders*.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.¹⁰ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.¹¹ Accordingly, the deadline for these final results is now February 5, 2026.
