

Fabricated structural steel safeguards

Public hearings

[Public hearings](#) provide participants with the opportunity to elaborate on their submissions, respond to others' submissions, and to discuss issues with Commissioners and answer questions. The transcripts of the hearings will be made available publicly on the Commission's website.

We are planning on holding hearings in the week of 11-15 May 2026.

Hearings will be held online via MS Teams.

Please register below if you are interested in appearing as a witness or simply observing the hearings.

Registration will close on 17 April. Soon after registration closes we will finalise the schedule for the hearings and send out calendar invitations.
