**SUPPLEMENTARY INFORMATION:**

**Background**

On March 20, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of truck bed covers from the People's Republic of China (China).<sup>1</sup> Currently, the preliminary determination is due no later than May 21, 2026.

**Postponement of Preliminary Determinations**

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination in a CVD investigation until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination.

Commerce has determined that both respondent companies involved in the proceeding are cooperating because both companies filed a request for an extension of time to respond to the Affiliated Companies portion of the Initial CVD Questionnaire,<sup>2</sup> and that the investigation is extraordinarily complicated.<sup>3</sup> Specifically, Commerce will require additional time to analyze the questionnaire responses and issue appropriate requests for clarification and additional information, particularly regarding questions of affiliation and cross-ownership and program use by the respondents (*i.e.*, Changzhou Sunwood International Trading Co., Ltd. (Sunwood) and Hangzhou Golden Sun Auto Parts Co., Ltd. (Golden Sun)). In accordance with section 703(c)(1)(B) of the Act, Commerce is postponing the due date for the preliminary determination of this investigation to 130 days after the date on which this investigation was initiated, *i.e.*, July 27, 2026.<sup>4</sup> Pursuant to section 705(a)(1) of

<sup>1</sup> See *Truck Bed Covers From the People's Republic of China: Initiation of Countervailing Duty Investigation*, 91 FR 13573 (March 20, 2026).

<sup>3</sup> See section 703(b)(1) of the Act.

<sup>4</sup> Postponing the preliminary determination to 130 days after initiation would place the deadline

the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that the sole producer and/or exporter subject to this review, Teh Fong Min International Co., Ltd. (TFM), made sales of subject merchandise in the United States at less than normal value during the period of review (POR), May 1, 2023, through April 30, 2024.

**SUPPLEMENTARY INFORMATION:**

**Background**

On September 4, 2025, Commerce published the preliminary results of the 2023-2024 administrative review of the antidumping duty order on stilbenic optical brightening agents (stilbenic OBAs) from Taiwan.<sup>1</sup> We invited

on Saturday, July 25, 2026, a weekend. Commerce's practice dictates that where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day. See Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005).

<sup>1</sup> See *Stilbenic Optical Brightening Agents from Taiwan: Preliminary Results of Antidumping Duty*

interested parties to comment on the *Preliminary Results*.<sup>2</sup> We received a case brief from the petitioner and a rebuttal case brief from TFM.<sup>3</sup> Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.<sup>4</sup> Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>5</sup> On February 10, 2026, Commerce extended the deadline for the final results by 43 days.<sup>6</sup> On April 23, 2026, Commerce extended the deadline for the final results by an additional 8 days.<sup>7</sup> Accordingly, the deadline for these final results is now May 1, 2026.

For a complete description of the events that followed the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>8</sup> The Issues and Decision Memorandum is a public document and is on file electronically via ACCESS. **Analysis of Comments Received**

All issues raised in the case and rebuttal briefs that were submitted by parties in this investigation are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is attached as an appendix to this notice.

**Change Since the Preliminary Results**

Based on our analysis of the comments received, we made a certain change to the margin calculations for TFM. For a discussion of this change, see the Issues and Decision Memorandum.

**Final Results of Administrative Review**

We determine that the following estimated weighted-average dumping margin exists for the period May 1, 2023, through April 30, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
Teh Fong Min International Co., Ltd. <sup>11</sup> .....	7.61

**Disclosure**

We intend to disclose the calculations performed for TFM in these final results to parties in this proceeding within five days after the date of any public announcement or, if there is no public announcement, within five days after the date of publication of these final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.<sup>12</sup>

<sup>11</sup> Teh Fong Min International Co., Ltd. is also known as Teh Fong Ming International Co., Ltd. See *Preliminary Results*, 90 FR at 42739.

<sup>12</sup> Commerce remains enjoined from ordering the lifting of suspension of liquidation, and entries of subject merchandise will continue to be subject to suspension of liquidation at the cast deposit rate of zero and we will instruction CBP accordingly. See *Archroma U.S., Inc. v. United States Dep't of Commerce and United States Int'l Trade Comm.*, CIT Ct. No. 22–00354, ECF No. 8 (appeal pending sub. nom. *Archroma U.S., Inc. v. Commerce*, CAFC

We intend to instruct CBP, pending a final and conclusive court decision in *Archroma*, to apply the importer-specific *ad valorem* assessment rates we calculated for the *Preliminary Results* on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).<sup>13</sup> If the importer-specific assessment rate is zero or *de minimis*, then Commerce will instruct CBP to liquidate such entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by TFM, for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate (*i.e.*, 6.19 percent)<sup>14</sup> if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication in the **Federal Register** of this notice<sup>15</sup> for all shipments of stilbenic OBAs from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for TFM will be 7.61 percent, the weighted-average dumping margin established in these final results;

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

#### Notification to Interested Parties

Commerce is issuing and publishing the final results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 351.221(b)(5).

#### SUPPLEMENTARY INFORMATION:

##### Background

On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.<sup>1</sup> On December 18, 2024, based on timely requests for review, Commerce initiated this administrative review of the countervailing duty (CVD) order on aluminum foil from Türkiye.<sup>2</sup> On March 10, 2025, Commerce issued the initial CVD questionnaire to the Government of Türkiye (GOT) and instructed the GOT to forward the questionnaire to Assan Alüminyum Sanayi ve Ticaret A.S.
