

their self-certification submissions to the DOC and in their privacy policies. Organizations that only wish to self-certify their compliance pursuant to the EU–U.S. DPF and/or the Swiss–U.S. DPF may do so; however, organizations that wish to participate in the UK Extension to the EU–U.S. DPF must participate in the EU–U.S. DPF. The DOC will update the Data Privacy Framework List on the basis of annual re-certification submissions made by participating organizations and by removing organizations when they voluntarily withdraw, fail to complete the annual re-certification in accordance with the DOC’s procedures, or are found to persistently fail to comply. The DOC will also maintain and make available to the public an authoritative record of U.S. organizations that have been removed from the Data Privacy Framework List and will identify the reason each organization was removed. The aforementioned authoritative list and record will remain available to the public on the DOC’s Data Privacy Framework program website. An organization’s failure to comply with the Principles after its self-certification is enforceable by the FTC under Section 5 of the Federal Trade Commission (FTC) Act prohibiting unfair or deceptive acts in or affecting commerce (15 U.S.C. 45); by the DOT under 49 U.S.C. 41712 prohibiting a carrier or ticket agent from engaging in an unfair or deceptive practice in air transportation or the sale of air transportation; or under other laws or regulations prohibiting such acts.

To initially self-certify or subsequently re-certify for the EU–U.S. DPF and, as applicable, UK Extension to the EU–U.S. DPF, and/or the Swiss–U.S. DPF, an organization must on each occasion provide to the DOC a submission that contains the relevant information specified in the Principles. The submission must be made via the DOC’s Data Privacy Framework program website by an individual within the organization who is authorized to make representations on behalf of the organization and any of its covered U.S. entities regarding its adherence to the Principles. Such an organization must respond promptly to inquiries and other requests for information from the DOC relating to the organization’s adherence to the Principles.

ITA has committed to follow up with organizations that have been or wish to be removed from the Data Privacy Framework List. ITA will direct organizations that allow their self-certifications to lapse to verify whether they intend to re-certify or instead intend to withdraw. An organization

that intends to re-certify will be required to further verify to the DOC that during the lapse of its certification status it applied the Principles to relevant personal data received in reliance on its participation in the Data Privacy Framework program and clarify what steps it will take to address the outstanding issues that have delayed its re-certification. An organization that intends to withdraw will be required to further verify to the DOC what it will do and/or has done (as applicable) with the relevant personal data that it received in reliance on its participation in the Data Privacy Framework program and who within the organization will serve as an ongoing point of contact for Principles-related questions. Organizations will be required to provide such verification to the DOC by completing and submitting appropriate questionnaires to the DOC.

ITA has also committed to conduct compliance reviews on an ongoing basis, including, as appropriate, through sending detailed questionnaires to participating organizations. The DOC will require that a participating organization complete and submit to the DOC such a questionnaire when: (a) the DOC has received any specific, non-frivolous complaints about the organization’s compliance with the Principles; (b) the organization does not respond satisfactorily to inquiries by the DOC for information relating to the organization’s adherence to the Principles; or (c) there is credible evidence that the organization does not comply with its commitments under the EU–U.S. DPF and, as applicable, the UK Extension to the EU–U.S. DPF, and/or the Swiss–U.S. DPF.

Affected Public: Primarily businesses or other for-profit organizations.

Frequency: Annual and periodic.

Respondent’s Obligation: Voluntary.

Legal Authority: The DOC’s statutory authority to foster, promote, and develop the foreign and domestic commerce of the United States (15 U.S.C. 1512).

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and current service lists, available to the public on Commerce's website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

¹ See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 41363 (July 10, 2020).

Information Required From Interested Parties

Domestic interested parties, as defined in sections 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic

parties. Also, note that Commerce’s information requirements are distinct from the ITC’s information requirements. Consult Commerce’s regulations for information regarding Commerce’s conduct of Sunset Reviews. Consult Commerce’s regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).³ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day on which it is due.

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the

comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

Notification to Interested Parties

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: May 27, 2026.

applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the reviews will be placed in the nonpublic record on September 28, 2026, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Hearing.—The Commission will hold an in-person hearing in connection with the reviews beginning at 9:30 a.m. on Tuesday, October 20, 2026. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before 5:15 p.m. on Friday, October 9, 2026. Any requests to appear as a witness via videoconference must be included with your request to appear. Requests to appear via videoconference must include a statement explaining why the witness cannot appear in person; the Chairman, or other person designated to conduct the reviews, may in their discretion for good cause shown, grant such a request. Requests to appear as remote witness due to illness or a positive COVID-19 test result may be submitted by 3 p.m. the business day prior to the hearing. Further information about participation in the hearing will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference, if deemed necessary, to be held at 9:30 a.m. on Wednesday, October 14, 2026. Parties shall file and serve written testimony and presentation slides in connection with their presentation at the hearing by no later than noon on October 19, 2026. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions

of section 207.65 of the Commission's rules; the deadline for filing is 5:15 p.m. on October 7, 2026. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before 5:15 p.m. on October 28, 2026. On November 20, 2026, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before 5:15 p.m. on November 24, 2026, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

Passenger Vehicle and Light Truck Tires From South Korea, Taiwan, Thailand, and Vietnam; Institution of Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930, as amended, to determine whether revocation of the countervailing duty order on passenger and vehicle light truck tires ("PVL T tires") from Vietnam and the revocation of the antidumping duty orders on PVL Ts from South Korea, Taiwan, and Thailand would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

DATES: Instituted June 1, 2026. To be assured of consideration, the deadline for responses is July 1, 2026. Comments on the adequacy of responses may be filed with the Commission by August 10, 2026.

FOR FURTHER INFORMATION CONTACT: Alec Resch (202-708-1448), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On July 19, 2021, the Department of Commerce ("Commerce") issued a countervailing duty order on

imports of PVLТ tires from Vietnam and antidumping duty orders on imports of PVLТ tires from South Korea, Taiwan, and Thailand (86 FR 38011–38013). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time.

Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determination in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are South Korea, Taiwan, Thailand, and Vietnam.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission defined the *Domestic Like Product* as a single domestic like product consisting of PVLТ tires, coextensive with the scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the *Domestic Industry* as all domestic producers of PVLТ tires, except for three firms. One Commissioner defined the *Domestic Industry* differently, to include all domestic producers of PVLТ tires.

(5) The *Order Date* is the date that the countervailing and antidumping duty orders under review became effective. In these review the *Order Date* is July 19, 2021.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign

manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties

authorized to receive BPI under the APO.

Certification.—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C.
