Henry Chih-hung Liu
Executive Director of Economic Division
Taipei Economic and Cultural Office in Canada
World Exchange Plaza
45 O'Connor Street, Suite 1960
Ottawa, Ontario K1P 1A4

August 14, 2026

Dear Henry Chih-hung Liu:

The Canada Border Services Agency (CBSA) has today concluded an administrative review to update the normal values and export prices of small and large power transformers originating in or exported from the Republic of Korea by Iljin Electric Co., Ltd. and of small power transformers originating in or exported from the Separate Customs Territory of Taiwan, Penghu, Kinmen and Matsu by Shihlin Electric & Engineering Corporation.

The administrative review followed a request for re-determination filed by an importer and is part of the CBSA's [administrative review policy](#) and the CBSA's enforcement of the Canadian International Trade Tribunal's (CITT) finding and order issued on:

- December 24, 2021, in Inquiry No. NQ-2021-003; and
- December 20, 2023, in Expiry Review No. RR-2022-004.

Normal values and export prices for future shipments of subject goods have been determined for the participating exporters. These values will be effective for subject goods released by the CBSA on or after August 14, 2026. The information collected during the course of this administrative review will also be used to settle any requests for re-determination on hand.

For additional information, you may refer to the *Notice of Conclusion* of this administrative review, which will be posted on the CBSA's [Dumping and subsidy administrative reviews](#) webpage.

.../2

Should you have any questions concerning this administrative review, please contact Hugh Marcil, Assistant Director, Trade Remedies Investigations Division, at 613-907-8611 or by email at Hugues.Marcil@cbsa-asfc.gc.ca.

Yours truly,

A handwritten signature in black ink, appearing to read 'S. Borg', with a stylized flourish at the end.

Sean Borg
A/Executive Director
Trade Remedies Investigations Division
