Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

DATES: Instituted September 1, 2026. To be assured of consideration, the deadline for responses is October 1, 2026. Comments on the adequacy of responses may be filed with the Commission by November 16, 2026.

SUPPLEMENTARY INFORMATION:

Background.—On August 9, 2004, the Department of Commerce ("Commerce") issued antidumping duty orders on imports of polyethylene retail carrier bags from China, Malaysia, and Thailand (69 FR 48201, 48203, and 48204). On May 4, 2010, Commerce issued a countervailing duty order on imports of polyethylene retail carrier

bags from Vietnam (75 FR 23670) and antidumping duty orders on imports of polyethylene retail carrier bags from Indonesia, Taiwan, and Vietnam (75 FR 23667). Following first five-year reviews by Commerce and the Commission, effective July 7, 2010, Commerce issued a continuation of the antidumping duty orders on imports of polyethylene retail carrier bags from China, Malaysia, and Thailand (75 FR 38978). Following first five-year reviews of the orders concerning Indonesia, Taiwan, and Vietnam and second five-year reviews of the orders concerning China, Malaysia, and Thailand by Commerce and the Commission, effective May 5, 2016, Commerce issued a continuation of the countervailing duty order on imports of polyethylene retail carrier bags from Vietnam and antidumping duty orders on imports of polyethylene retail carrier bags from China, Indonesia, Malaysia, Taiwan, Thailand, and Vietnam (81 FR 27087). Following second five-year reviews of the orders concerning Indonesia, Taiwan, and Vietnam, and third five-year reviews of the orders concerning China, Malaysia, and Thailand by Commerce and the Commission, effective October 27, 2021, Commerce issued a continuation of the countervailing duty order on imports of polyethylene retail carrier bags from Vietnam, and antidumping duty orders on imports of polyethylene retail carrier bags from China, Indonesia, Malaysia, Taiwan, Thailand, and Vietnam (86 FR 59366). The Commission is now conducting third five-year reviews of the orders concerning Indonesia, Taiwan, and Vietnam, and fourth five-year reviews of the orders concerning China, Malaysia, and Thailand pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the

scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are China, Indonesia, Malaysia, Taiwan, Thailand, and Vietnam.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, its full first five-year review and expedited second five-year review determinations concerning Indonesia, Taiwan, and Vietnam, and in its original determinations and its full first five-year review, full second five year review, and expedited third five-year review determinations concerning China, Malaysia, and Thailand, the Commission found one Domestic Like Product consisting of the range of polyethylene retail carrier bags corresponding to Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, its full first five-year review, and expedited second five-year review determinations concerning Indonesia, Taiwan, and Vietnam, and in its original determinations, full first five year review, full second five year review, and expedited third five-year review determinations concerning China, Malaysia, and Thailand, the Commission found a single Domestic Industry consisting of all U.S. producers of polyethylene retail carrier bags.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission

five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the

programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

Written submissions.—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is 5:15 p.m. on October 1, 2026. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is 5:15 p.m. on November 16, 2026. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 26–5–703. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

Inability to provide requested information.—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to § 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.

DEPARTMENT OF JUSTICE

[OMB Number 1110–0090]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Revision of a Previously Approved Collection; Title—SAFER SKIES State, Local, Tribal, and Territorial Counter-UAS Information Collection

AGENCY: Federal Bureau of Investigation, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Federal Bureau of Investigation, Department of Justice (DOJ), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until November 2, 2026.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact the Counter-UAS Operations Unit, Unmanned Aviation Section, Critical Incident Response Group, Federal Bureau of Investigation, email: cuas@fbi.gov.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Federal Bureau of Investigation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;—Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Abstract: The SAFER SKIES Act, Title LXXXVI of the National Defense Authorization Act for Fiscal Year 2026, as implemented by the interim final rule codified at 6 CFR part 124 and 28 CFR part 124, extends counter-UAS detection and mitigation authority to State, local, tribal, and territorial (SLTT) law enforcement and correctional agencies under 6 U.S.C. 124n(a)(2). This collection covers the coordination, authorization, reporting, and recordkeeping submissions the rule requires, made through the designated Federal C–UAS coordination portal. The current approval was granted on an emergency basis and expires November 30, 2026. This revision requests a standard three-year approval.

Since the emergency clearance, the FBI has revised five instruments in response to experience during initial implementation. The advance notification (C–UAS–AN), operations plan (C–UAS–OPLAN), testing, training, and exercise plan (C–UAS–TTE), policy attestation (C–UAS–ATT), and post-operation report (C–UAS–POR) each collect additional data elements. The principal additions are structured airspace and temporary flight restriction information on the notification, operations plan, and exercise plan; a retroactive filing path for emergency invocations under 6 CFR and 28 CFR 124.9(g) on the notification; Federal Aviation Administration concurrence and frequency restriction information on the operations plan; agency identifying and policy reference information on the attestation; and expanded detection, mitigation, and enforcement outcome fields on the post-operation report.

This revision also re-estimates burden for every instrument. Several per-response estimates are lower than those approved under the emergency clearance even though the instruments collect more data. The revised forms replace free-text entry with structured selections, allow the operations plan to

review of pure magnesium from China.¹ Commerce calculated a weighted-average dumping margin of 25.26 percent.²

On March 13, 2026, the Court sustained, in part, and remanded, in part, the *Final Results*.³ In its remand redetermination, issued on June 10, 2026, Commerce reconsidered its surrogate value selection for electricity and relied on the national average of industrial electricity rates from the Turkish Statistical Institute.⁴ On April 11, 2026, MMC filed a motion for reconsideration of the Court's opinion

and order. On May 18, 2026, the defendant filed its response in opposition to the motion. The Court denied MMC's motion for reconsideration⁵ and sustained Commerce's final redetermination.⁶

Timken Notice

In its decision in *Timken*,⁷ as clarified by *Diamond Sawblades*,⁸ the U.S. Court of Appeals for the Federal Circuit held that, pursuant to sections 516A(c) and (e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of court decision that is not "in harmony" with a Commerce

determination and must suspend liquidation of entries pending a "conclusive" court decision. The Court's August 14, 2026, judgment constitutes a final decision of the CIT that is not in harmony with Commerce's *Final Results*. Thus, this notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Determination

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to MMC as follows:

Exporter or producer	Final results weighted-average dumping margin (percent) ⁹	Amended final results weighted-average dumping margin (percent) ¹⁰
Tianjin Magnesium International Co., Ltd.; Tianjin Magnesium Metal Co., Ltd.	25.26	23.96

Cash Deposit Requirements

Because MMC does not have a superseding cash deposit rate, *i.e.*, there have not been final results published in a subsequent administrative review, Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP).

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: (1) were exported by Tianjin Magnesium International Co., Ltd. or Tianjin Magnesium Metal Co., Ltd.; (2) were the subject of the *Final Results*; (3) were entered, or withdrawn from warehouse, for consumption, during the period May 1, 2022, through April 30, 2023. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the Court's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, in accordance with 19 CFR 351.212(b), Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise that: (1) were exported by Tianjin Magnesium International Co., Ltd. or Tianjin Magnesium Metal Co., Ltd.; (2) were the subject of the *Final Results*; (3) were entered, or withdrawn

from warehouse, for consumption, during the period May 1, 2022, through April 30, 2023. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero or *de minimis*. Where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.¹¹

Notification to Interested Parties

This notice is issued and published in accordance with sections 516A(c) and (e), and 777(i)(1) of the Act.

Dated: August 26, 2026.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Filing Information

All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the

public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

Information Required from Interested Parties

Domestic interested parties, as defined in sections 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to

participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that Commerce's information requirements are distinct from the ITC's information requirements. Consult Commerce's regulations for information regarding Commerce's conduct of Sunset Reviews. Consult Commerce's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce. Note that Commerce has amended certain of its requirements pertaining to the service of documents

¹ See *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID-19*, 85 FR 41363 (July 10, 2020).

² See 19 CFR 351.218(d)(1)(iii).

in 19 CFR 351.303(f).³ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day on which it is due.

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

Certain Choline Salts From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable September 1, 2026.

FOR FURTHER INFORMATION CONTACT: Kelsie Hohenberger at (202) 482–2517, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

³ See *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings: Final Rule*, 88 FR 67069 (September 29, 2023).

Background

On July 14, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of certain choline salts (choline salts) from the People's Republic of China (China).¹ Currently, the preliminary determination is due no later than September 17, 2026.

Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 14, 2026, the petitioner² submitted a timely request that Commerce postpone the preliminary CVD determination.³ The petitioner stated that it requests postponement due to the time required to identify mandatory respondents, the number of programs under investigation, and the expected complexity of the issues.⁴ In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*,

SUPPLEMENTARY INFORMATION:

Background

On July 23, 2010, Commerce published the *Order* in the **Federal**

⁵ Postponing the preliminary determination to 130 days after initiation would place the deadline on Saturday, November 21, 2026. Commerce's practice dictates that, where a deadline falls on a weekend or federal holiday, the appropriate deadline is the next business day.
