Directorate G – Trade Defence
Investigations IV. Relations with Third Countries for Trade Defence Matters

Brussels, 9 October 2026
TRADE.G.5 / BAS/ t26.008498

NOTE TO THE FILE

Subject: SAFE 011 – Safeguard proceeding concerning imports of grain-oriented electrical steel
Rebuttals of comments post provisional safeguard measures

On 8 October 2026, the extended deadline expired for parties to submit comments further to Commission Implementing Regulation 2026/2133, by which the European Commission ('the Commission') imposed provisional safeguard measures with regard to imports of certain grain-oriented flat-rolled products of silicon-electrical steel. ⁽¹⁾

All interested parties are invited to file rebuttals further to the comments submitted by other parties. Such rebuttals should reach the Commission **by 16 October 2026 at the latest, via TRON exclusively.** ⁽²⁾ No deadline extensions will be granted.

(e-signed)

Laurens ELSSEN

Case Manager
