活動介紹 | Event Info

隨著電動車與智慧車電快速發展，全球汽車產業正加速重塑合作模式與供應鏈布局。「國際智慧車電交流會」將於台北 AMPA 展期間登場，打造產業對話與國際連結的重要平台。活動涵蓋主題演講與國際產業組織分享，帶來最新市場洞察；並設有交流時段，促進企業、專家與機構間的深入互動，拓展合作與商機。誠摯邀請關注智慧車電、電動車與汽車供應鏈的業者與專業人士參與，共同掌握趨勢。

As EVs and smart automotive technologies rapidly evolve, global collaboration and supply chains are being reshaped. The International Smart Automotive Seminar, held during AMPA, offers a valuable platform for industry exchange. Featuring keynote insights and sharing from international organizations, the seminar provides key market perspectives, followed by a networking session to foster partnerships and business opportunities. Join us to explore trends, build connections, and unlock new opportunities in the smart automotive ecosystem.
